

Lincoln Library Foundation's Gifts & Memorials Program

Buying a gift for Lincoln Library is a special way to memorialize or honor relatives and friends. Various occasions for giving are listed. With your tax-deductible contribution (\$25 minimum) the library will purchase a book, compact disc, cassette or videotape. You may wish to specify an area of interest from which the library will try to select the material. Acknowledgement of gifts are sent to the person being honored; memorial gifts are acknowledged to the family of the deceased. A printed plate, bearing your name and the name of the person for whom the book was purchased is placed on the gift. All donations are printed in the *Lincoln Library Bulletin*. To purchase a gift or memorial, please print this page and fill out the information below. For further information, phone 217-753-4900, extension 5602.
