lynda.com — Start learning today.

Lynda.com is an online learning site that hosts a constantly growing library of over 5,000 courses that include over 130,000 videos. Courses cover a variety of topics (including business, design, web development and multimedia skills) and software (Microsoft Office, Adobe Creative Suite and open source applications) that can help people pursue personal and professional goals. *The library license of Lynda.com only allows for 50 people at any one time to have access. If you cannot log in please try back at a later time.*
