WE ARE MAKING

Join us for an immersive, hands-on workshop where creativity meets strategy. The Terrain Sculpting Collective invites you to explore the art of miniature terrain building for wargaming, dioramas or holiday village displays. Participants will learn techniques in sculpting, painting, and assembling miniature landscapes. Whether you're a seasoned model maker or a curious beginner, this program will spark your imagination and equip you with the skills to create detailed, realistic terrain or practical wargaming terrain. Come with your passion for miniatures, and leave with your own personal masterpiece!

All materials are provided.
